

Dear parent or guardian,

Next week we will be watching the video “Outbreak,” which tracks the spread of an Ebola-like disease and the resulting social and medical complications. It was rated “R” under the old system for some language and scenes of a military quarantine deemed “intense” (not violent) and therefore I need parental permission for your students to participate. Please feel free to call if you have questions or concerns.

Donna Carter 929-3211 (ext. 1331)

_____ My child has permission to watch the video

_____ I do NOT want my child to watch the video
